For longer journeys (Beaune, Chalon, Dijon, Dole, Geneva/Lyon airports, Paris etc), we recommend you book a shuttle at negotiated rates, please send us a message to [info@chateaudevarenn.es.fr](mailto:info@chateaudevarenn.es.fr) with the number of passengers and date/time of the trip. Please book as soon as possible as we cannot guarantee the last minute availability of shuttles at negotiated rates.

Otherwise you can also contact the following cabs directly (but expect the cost to be higher than with the chateau shuttle and they do not speak English).
