There are many other options as new b&bs and houses to rent are opening every year in our region

You can also check :

- There is a hotel with 10 bedrooms (from €80 per night) in our village but full boarding is compulsory in peak season so they may say that they are not available if you tell them you are coming for a wedding (you can book it online by searching "Doubs rivage Logis de France" on Google)
- **Highly recommended for tight budgets or if local hotels are full** : <http://campinglespecheurs.com> has 7 bungalows for 5 people (starting at 55€/night each) + 3 caravans accommodating 2 people (€24) + 2 chalet accommodating 4 people (starting at €40/night). Please book early if you are interested. This camping is located by the river (behind Chateau de Lays) and is offering complimentary wi-fi access as well as a heated outdoor pool + a restaurant open everyday - It is very clean and in a nice location very close to the wedding venue (Chateau de Varennes)
